Quality Conformity Declaration

«Angren Tube Plant» of Almalyk MMC produced copper tubes of different diameters according to its Company Standard №: O`zDST 3348:2018

The Company Standard №: O`zDST 3348:2018 was elaborated and harmonized with European and other standards such as ASTM B280, ASTM B68, EN 1057, EN 12735, GO`ST 617, GO`ST 21646 and GO`ST 11383-75.

Quality, size requirements (tolerations +/-) and packing conditions are conformity with the mentioned standards.

During the production of copper tubes, we also consider special requirements of customers on technical requirements.

Respectfully,

Eryigit Sulaymanov

Director «Angren Tube Plant»
